Aaron hears country living calling his name! He has a kind heart and is dedicated to loving and caring for animals. To keep active, Aaron likes riding his bike or scooter, playing football in the backyard, or visiting a local park. On an average day, one might find this talented singer belting out a tune. Aaron's favorite foods are anything sweet, and he especially loves ice cream.

He is now in the sixth grade.

A two-parent Christian family with pets, who reside in a rural location is preferred. Aaron would benefit from being the youngest child in a home. His caseworker will consider all family types. Financial assistance may be available for adoption-related services.

For Oklahoma children, both homestudied and non-homestudied Oklahoma families are encouraged to inquire; only homestudied families from other states should do so.
